## **SWAMI DAYANAND HOSPITAL**

### **■ Introduction**

Swami Dayanand Hospital was set up in 1963 and was at that time called as General Hospital, a name that has been struck with it now also. It was started as a decision of Municipal Corporation of Delhi.

Till date it remains as the largest MCD Hospital of East Delhi.

The physical infrastructure of the Hospital at that time was a two storey block and subsequently OPD block , MCH block and few other additions were made to the already existing structure in last 20-25 years.

The guiding principle of the Hospital has always been to provide patient care with dignity and adopt a soothing patient friendly environment for the delivery of health care.

Currently it has 370 functional beds providing care in all specialities but still faces Shortage of space, beds and staff.

A Thallasemia Unit runs having 3 beds and 34 patients as Day Care service.

## **Clinical Lab Services**

SDN Hospital has a well established Clinical Laboratory Services under two main divisions

- 1) Clinical Pathology
- 2) Clinical Biochemistry and Microbiology

Both the sections are heavily loaded due to a large volume of work under every section. Blood/Urine/Tissue samples are collected from 09:00 am to 12:30 PM in OPD hours and throughout the day in Emergency. Attempt is made to keep the reporting time to minimum.

## **Blood Facility**

SDN Hospital has a functional blood bank housed near OPD in the Multiservice block. Blood and its components are available through out the day and night.

## **Nursing Care**

Dedicated Nursing Care is a Special feature of SDN Hospital. With a meagre strength of..... Nursing Officers, we try to provide personalised nursing Care to all patients in WARDS, OT, ICU, NICU, OPD, OT.

Few nursing staff are specially trained for providing critical Care required by patients in ICU, NICU and OTs.

## **Pharmacy Services**

SDN Hospital has a well established service

All the medicines being provided to patients in OPD, Wards, ICU, NICU or OTs are free of Cost.

OPD Dispensing is done from 9:00- 4:00 pm on Weekdays and 9:00-1:00 pm on Saturdays.

## **Dietary Services**

The hospital has in house arrangement to provide fresh and healthy meals to all the patients admitted in the wards as per their Medical indications under supervision of the Dietician.

On festive days and other important days, Special meals are provided to patients in wards matching with the spirit of the occasion.

## **House keeping, Laundry, Security and BioMedical Waste Management Services**

These Services have been outsourced by the Hospital

## **Engineering Services**

Swami Dayanand Hospital has in house engineering Wing headed by the AE Civil and AE Electrical for daily maintenance of the Hospital, Airconditioning. Though facing a crunch of staff, effort has always been made so that the essential services are not compromised .

## **Academics, Teaching and Research activities**

Swami Dayanand Hospital boasts of a strong Teaching and academics program with the starting of DNB Teaching in 2016 . The program runs in Medicine, Surgery, Pediatrics, Obstetrics and Gynaecology, Ophthalmology, Anaesthesia and Orthopedics dept.

The annual intake is approximately 52 students amongst all specialities.

Many DNB trainees passing out from Swami Dayanand Hospital have secured Superspeciality DM/MCH seats apart from lucrative Job Offers from various reputed Hospital Chains .

The Hospital has published several papers and research publication to its name.
